AR-15/M16 ARMORER (2 DAY) COURSE

Introduction

The premier course in the United States which sets the benchmark certification for the industry. For the professional who wants the designation of AR-15/M16 Armorer. The course covers the AR-15/M16 platforms and provides instruction on how to diagnose and repair malfunctions, return firearms to military specs, perform function inspections, check headspace and more.

Armorer training classes are a mixture of classroom instruction and hands-on exercises, enabling each student to achieve a high degree of familiarity with the topics covered. Graduates will be able to repair and maintain the AR-15/M16 platform to military specifications, be issued a three-year certification and receive one-on-one Academi phone and/or email support. Class begins at 0830 hours.
