IAI CRIME SCENE CERTIFICATION TEST PREPARATION, CCSI, CCSA & CSCSA
By
Jan Johnson, SCLA
Retired Senior Crime Laboratory Analyst
Certified by State of Florida in Crime Scene Analysis and Bloodstain Pattern Analysis
Certified by IAI
in Crime Scene Analysis
President of Forensic Pieces, Inc.

ABOUT YOUR INSTRUCTOR:

Jan Johnson is retired from the State of Florida with over forty years experience in law enforcement. After ten years with the F.B.I., Jan made the transition to crime scene analysis. She is recognized by the IAI as a Certified Senior Crime Scene Analyst and worked for FDLE in Pensacola, Florida for over twenty-two years. As a laboratory analyst and crime scene examiner, her field of experience includes detection, collection, and preservation of physical evidence, bloodstain pattern interpretation, trajectory analysis, buried body and skeletal remains recovery, clandestine laboratories, and numerous other procedures involving crime scene investigations. Due to her expertise in bloodstain pattern interpretation and crime scene reconstruction and analysis, Jan has testified in hundreds of criminal cases as an expert witness. Before retiring in 2004, Jan spent three years with the Escambia County Sheriff's Office as supervisor of the Crime Scene and Latent Print units, as well as overseer of ECSO's new crime lab, which she designed. Jan served in the highly distinguished role of President of the IAI in 2004, and Chairman of the Board in 2005, and considers herself honored to have been on the IAI's original Crime Scene Certification Board. Jan has served as President for the Florida Division of the IAI in 2007 as well as Chairman of the Board in 2008. She continues to serve on various committees within both the IAI and FDIAI. Jan has taught numerous courses in the areas of both Crime Scene and Bloodstain Pattern Interpretation and Crime Scene Reconstruction in the United States and abroad, including South Africa, Brazil, and Bermuda.

COURSE DESCRIPTION:

IAI CRIME SCENE CERTIFICATION PREPARATION COURSE
Designed for Modular One, Two, and Four

This course is specifically designed with the goal of enabling students to pass whichever crime scene certification level examination that they are preparing for in the near future. This is a concentrated and fast moving review of either two or three books depending on the examination that you are testing to pass. Every book review will have pre-testing and post-testing composed of hundreds of extracted questions covering every chapter so that students will know their areas of strengths and weaknesses. Whether novice or experienced, this class is a must for maximizing the chances of successfully passing the examinations to improve your credentials and professionalism by becoming certified in the crime scene specialty. Students who attend this course will have a distinct advantage over those who have not attended this dedicated and intensive review course when it comes to testing for the IAI certification examinations. Students will be able to take the certification examination on the last day of this course for all modulars. The application for testing must be received by the IAI Office at least sixty days prior to the course date if you intend to take the certification test on the week of the course book review.

Please view the website theiai.org/certifications for complete listing of qualifications required for testing. Failing to complete application in a timely manner can result in you not being able to take the certification test on the week of the book review course; however, you will be allowed to take the examination at a later date.

Modular One: Crime Scene Investigator
Modular Two: Crime Scene Analyst
Modular Four: Senior Crime Scene Analyst

COURSE TOPICS:

Crime Scene Safety, Equipment Needs, Scene Security, Photography, Search Techniques, Note Taking, General Documentation of Physical Evidence, Sketching, Measurements, Biological Evidence Detection and Collection, Trace Evidence, Latent Impression Evidence, Shoe and Tire Track Evidence, Tool Mark Evidence, Firearms Evidence, Proper Evidence Packaging Techniques, Report Writing, Mock Crime Scenes and Courtroom Testimony.

WHAT TO BRING TO THE COURSE:

Casual attire is suitable. Have on hand a pen, paper, highlighter, note cards and laptop computer (if desired for note taking). It is highly recommended that the required text books are read prior to the course and the texts should be brought to the course.

WHO SHOULD ATTEND?

This course is designed to assist in the preparation for the IAI Crime Scene Investigator Certification- CCSI , CCSA or CSCSA examination. Please make sure that you have read the new books as of August 1, 2008. Please see the IAI website at www.theiai.org for current books to read, certification application, and requirements.
