LEGEND

- Transit-Stadia Stations
- Shaft
- Cut
- Adit
- Vein

Country rock is a metasedimentary-igneous complex

Contour interval is 50'. Contours based on elevations calculated from vertical angles and stadia readings. Datum point is Sta. 1 by barometer

Transit-Stadia survey by A.F.R. and J.R. McW.

Patented claim locations from map by R.J.H. (General Land Office plat)
