We've invited Nan Henderson, author of Resiliency in Action: Practical Ideas for Overcoming Risks and Building Strengths in Youth, Families, and Communities to come and talk with us about how we can help build resiliency in the kids that we encounter on dv calls. The goal of this training is to take a look at some of the challenges we face and learn how we really can help shift the balance from risk to resiliency in the limited amount of time we're with them.

Please join us for Starbucks, goodies, and some great information at this FREE Training.
