Quartzite Load

June 6, 1969

Mr. W. Ellis Gross
District Ranger
Snoqualmie National Forest
Route 1, Box 1119
North Bend, Wash. 98045

Dear Mr. Gross:

Thank you very much for the information on the Quartzite Load mining claim. When I tried to get this dope from the Bureau of Land Management, they couldn't find it. So, I really appreciate your efforts.

Very truly yours,

BERT L. COLE
Commissioner of Public Lands

By Vaughn E. Livingston, Jr.
Assistant Supervisor
Division of Mines and Geology

Form 4-1081
(July 1951)

Washington 03326

The United States of America

To all to whom these presents shall come, Greeting:

WHEREAS, In pursuance of the provisions of the Revised Statutes of the United States, Chapter Six, Title Thirty-two, and legislation supplemental thereto, there are now deposited in the Bureau of Land Management of the United States the Plat and Field Notes of Survey and a Certificate of the Land Office at Spokane, Washington,

accompanied by other evidence whereby it appears that

Edwin H. Saurers and Grace E. Johnston, individually and as administratrix of the Estate of Carl L. Johnston,

have entered and paid for the Quartzite Lode mining claim,

designated as amended Survey No. 1310, embracing a portion of Section 17 in Township 25 north of Range 10 east of the Willamette Meridian, in the Duena Vista (unorganized) Mining District, King County, Washington, the said claim being more particularly described in the official field notes and depicted on the official plat which are expressly made a part of this patent and copies of which are attached hereto.

The premises herein granted contain 9.380 acres.

Form 4-1082
(July 1955)

Washington 03326

NOW KNOW YE, That there is therefore, pursuant to the laws aforesaid, hereby granted by the United States unto the said Edwin R. Saurers and Grace E. Johnston, individually and as administratrix of the Estate of Carl L. Johnston,

the said mining premises hereinbefore described, and not expressly excepted from these presents, and all that portion of the said vein , lode , or ledge , and of all other veins, lodes, and ledges throughout their entire depth, the tops or apexes of which lie inside of the surface boundary lines of said granted premises in said survey extended downward vertically, although such veins, lodes, or ledges in their downward course may so far depart from a perpendicular as to extend outside the vertical side lines of said premises: *Provided*, That the right of possession to such outside parts of said veins, lodes, or ledges shall be confined to such portions thereof as lie between vertical planes drawn downward through the end lines of said survey so continued in their own direction that such planes will intersect such exterior parts of said veins, lodes, or ledges; *And provided further*, That nothing herein contained shall authorize the grantee herein to enter upon the surface of a claim owned or possessed by another.

TO HAVE AND TO HOLD said mining premises, together with all the rights, privileges, immunities, and appurtenances of whatsoever nature thereunto belonging, unto the said grantees above named and to their heirs and her successors and assigns forever; subject, nevertheless, to the above-mentioned and to the following conditions and stipulations:

FIRST. That the premises hereby granted shall be held subject to any vested and accrued water rights for mining, agricultural, manufacturing, or other purposes, and rights to ditches and reservoirs used in connection with such water rights, as may be recognized and acknowledged by the local laws, customs, and decisions of the courts. And there is reserved from the lands hereby granted a right-of-way thereon for ditches or canals constructed by the authority of the United States.

SECOND. That in the absence of necessary legislation by Congress, the Legislature of Washington may provide rules for working the mining claim or premises hereby granted, involving easements, drainage, and other necessary means to its complete development.

IN TESTIMONY WHEREOF, the undersigned authorized officer of the Bureau of Land Management, in accordance with the provisions of the Act of June 17, 1948 (62 Stat. 476), has, in the name of the United States, caused these letters to be made Patent, and the Seal of the Bureau to be hereunto affixed.

GIVEN under my hand, in the District of Columbia, the TWENTY-FIFTH day of FEBRUARY in the year of our Lord one thousand nine hundred and SIXTY-FOUR and of the Independence of the United States the one hundred and EIGHTY-EIGHTH.

[SEAL]

For the Director, Bureau of Land Management.
