RE: Extension Request for Trust Water Donations CG4-24374C@1, CG4-046385CL@1, and CG4-153381CL@1

Dear Mr. Martin:

The purpose of this letter is to accept your request for a two year extension to the above referenced donations to Ecology's Trust Water Right Program. **The new expiration date for the donations will be December 31, 2016**.

If, prior to the new expiration of these temporary donations, you would like any of them extended for an additional period of time, please send us a written request referencing the application number(s) above. Also, if you wish to modify any terms of your donation, your request must include the new terms. Requesting a longer donation period for any subsequent extension requests may be advantageous if you have no plans to use the water in the near future.

To remove a water right from Ecology's Trust Program simply requires a letter to Ecology's Central Regional Office requesting its removal from the program.

If you have any questions, please feel free to contact the Office of Columbia River's Trust Water Coordinator, Patricia Kirk, by phone at (509) 249-6299 or by e-mail at pkir461@ecy.wa.gov.

Sincerely,

Mark C. Schuppe
