

Tubers (Chipping)

Phytosanitary Certificate (PC) is required.

See PEXD for current AD.

Supporting Documents

- [Chipping Potato Protocol](#)

Additional Information

- Potatoes must be intended for chipping.
- All shipments must meet the requirements listed in the *Chipping Potato Protocol*.
- Trans loading is allowed only in approved states and all of the requirements in the protocol must be verified. New seals should be placed on the new containers and recorded on the reissued PC. The reissued PC should indicate the initial state of origin in the "Place of Origin" block.

Tubers (Fresh)

Commodity is prohibited. Do not certify unless an Import Permit (IP) is presented.
