Re: Water Right Permit No. **G2-26423** (Sound System)

Dear Mr. Blackman:

In response to your request, you are hereby granted an extension to Complete Construction on the above-referenced water right for the reasons below:

- Due diligence has been demonstrated through continuous infilling of the service area. System is currently serving 13,500 connections.
- Full build out not yet reached, an additional 2,010 connections are expected.
- Water use has decreased as a result of the system's recently instituted Water Conservation Rate.

The new deadline to put the water to **full beneficial use** and send a completed Proof of Appropriation form is **February 1, 2015.**

You have a right to appeal this decision. To appeal this you must:
