HOME / PROVIDER
Elitecare Adult Family Home, LLC

LICENSE NUMBER
752297

NOTE: The term "the home" refers to the adult family home / provider listed above.

The scope of care, services, and activities listed on this form may not reflect all required care and services the home must provide. The home may not be able to provide services beyond those disclosed on this form, unless the needs can be met through "reasonable accommodations." The home may also need to reduce the level of care they are able to provide based on the needs of the residents already in the home. For more information on reasonable accommodations and the regulations for adult family homes, see Chapter 388-76 of Washington Administrative Code.

9. ADDITIONAL COMMENTS REGARDING PERSONAL CARE

We have 3 bathrooms in our adult family home. First bathroom is a stand up shower, 2nd bathroom is soak in tub and the 3rd bathroom is roll-in shower with pull down bench

If the home admits residents who need medication assistance or medication administration services by a legally authorized person, the home must have systems in place to ensure the services provided meet the medication needs of each resident and meet all laws and rules relating to medications. (WAC 388-76-10430)

The type and amount of medication assistance provided by the home is:

We can assist our clients with insulin injection, crush medication under physician order and also nurse delegation.

ADDITIONAL COMMENTS REGARDING MEDICATION SERVICES

Skilled Nursing Services and Nurse Delegation

If the home identifies that a resident has a need for nursing care and the home is not able to provide the care per chapter 18.79 RCW, the home must contract with a nurse currently licensed in the state of Washington to provide the nursing care and service, or hire or contract with a nurse to provide nurse delegation. (WAC 388-76-10405)

The home provides the following skilled nursing services:

Home doctor service, Home health Care Services, Wound Care, and Hospice Care.

The home has the ability to provide the following skilled nursing services by delegation:

Insulin injection, catheter, colostomy bag and tube feeding by nurse delegation

Specialty Care Designations

We have completed DSHS approved training for the following specialty care designations:

x Developmental disabilities
x Mental illness
x Dementia

ADDITIONAL COMMENTS REGARDING SPECIALTY CARE DESIGNATIONS

Staffing

The home's provider or entity representative must live in the home, or employ or have a contract with a resident manager who lives in the home and is responsible for the care and services of each resident at all times. The provider, entity representative, or resident manager is exempt from the requirement to live in the home if the home has 24-hour staffing coverage and a staff person who can make needed decisions is always present in the home. (WAC 388-76-10040)

The provider lives in the home.

A resident manager lives in the home and is responsible for the care and services of each resident at all times.

x The provider, entity representative, or resident manager does not live in the home but the home has 24-hour staffing coverage, and a staff person who can make needed decisions is always present in the home.

The normal staffing levels for the home are:

x Registered nurse, days and times: **on call basis**

Licensed practical nurse, days and times: _____

x Certified nursing assistant or long term care workers, days and times: **2 caregivers at all time**

Awake staff at night

Other:

ADDITIONAL COMMENTS REGARDING STAFFING
