Dear Ms. Webb:

The purpose of this letter is to acknowledge Department of Ecology's acceptance of your donation to the Washington State Trust Water Rights Program. The trust water right has been assigned the control number **CS4-01196C(A)@2**. Please refer to this number when corresponding with us about this trust water right.

The Department of Ecology, pursuant to RCW 90.42.080(1)(b), acknowledges your donation in the amount of 0.21 cubic-feet-per-second and 32.7 acre-feet per year. The purpose of the donation is to benefit instream flow in the Columbia River beginning at about River Mile 551 and continuing downstream to the Pacific Ocean. The term of the donation is from July 6, 2010 to December 31, 2014.

This trust water right expires on December 31, 2014.

This donation represents the full rate and quantity of the underlying water right, S4-01196C(A). This trust water right is created by the fallowing of 10 acres within the place-of-use located in the W1/2 of Section 33 and the E1/2 of Section 34, all in T. 30 N, R. 26 E.W.M.

Section 90.42.080(4) provides that the donated portion of the water right may not exceed the extent to which the water right was exercised during the five years before the donation.

In accordance with RCW 90.42.040(6), RCW 90.14.140(h), and RCW 90.14.215, a water right is not subject to relinquishment while it is managed within the Trust Water Rights Program.

Ecology's acceptance of the donated water right into the Trust Water Rights Program is not evidence of the validity or quantity of the right. When the period of trust ends, the water right will revert back to the water right holder or landowner in the full quantity accepted into the trust water program and for the original purposes.

If, prior to expiration of this temporary donation, you would like to extend the temporary donation, please send us a written request. Also, if you wish to modify any terms of your

donation, your letter must include the new terms. Ecology will review your request and any new or modified terms and conditions and will notify you whether the donation can be extended.
