Tactical Court Security Course

Hosted by Spokane County Sheriff's Office
July 8-10, 2013 from 8:00am-5:00pm

The Tactical Court Security Course is designed to provide federal, state and local law enforcement with the training relevant to today's security needs. This course will immediately provide the tools and tactical mindset necessary for Court Security personnel to perform their duties safely. The overall course objective is to remove the paradigm that Court Security is merely a judicial function and to create a tactical environment within the Courts.

All lessons are delivered from the perspective of the instructors who have real-world experience in all facets of the Court Security function to include line, command, and tactical applications, as well as having engaged in a deadly force encounter with a courthouse active shooter.
