Description:

This comprehensive multi-gun armorer certification course will prepare students to fully service the complete line of classic SIG SAUER pistols (P220, P226, P228, P229 and P239) while maintaining the factory warranty. This hands-on program focuses on the mechanical functioning, complete disassembly/reassembly, maintenance, troubleshooting, and field repair of these pistols. Instructors will guide students through each step while encouraging active participation to ensure maximum retention of the material covered. Law enforcement armorers will also gain the knowledge necessary to develop a maintenance and inspection program for their department. A three-year certification is awarded upon successful completion of written and practical exams.

Prerequisites:

None.

***Note:** Some field location courses are restricted to Law Enforcement / Military personnel only. Please check the schedule for details.
