The FBI-LEEDA Executive Leadership Institute is an innovative 4 1/2-day program designed for executive level law enforcement leaders and focuses on the emerging challenges facing our profession. This highly interactive program follows the FBI-LEEDA "cops talking to cops" model of professional development.

The course first looks inward to identify the forces of change and emerging trends within law enforcement, such as the challenges of merging the perspectives of traditionalist, baby boomer, generation X and Millennial employees and presents leadership strategies to manage and adapt to future conditions.
