Re: Water Right Change Authorization No. **CS4-SWC945(Z)**

Dear Mr. & Ms. Timbers:

In response to your request, the development schedule for the above referenced water right has been extended as follows:

Completion of Construction: June 1, 2018

Basis of extension approval:

- An illness and subsequent death by the principal permit holder has prevented completion of the project.
- The delay is justified, given local development patterns and local economic conditions.

Please mail in the enclosed *Construction Notice* by the deadline. If you have any questions, please contact Candy Graff at candy.graff@ecy.wa.gov or (509) 454-4264.
