Re: Water Right No. G2-27170

Dear Mr. Zommers:

In response to your request, you are hereby granted an extension to put the water to full beneficial use for the reasons below:

- Due diligence is shown through completion of water system infrastructure, sale of 86 of the 89 lots, meter installation and recent bids for a second well pump.
- Home construction has been extremely slow due to economic and other conditions unique to lot ownership by the Latvian community. Because almost all lots are sold, the rate of development depends on the plans of individual lot owners.

The new deadline to submit your *Proof of Appropriation of Water* is **December 31, 2015**.

You have a right to appeal this decision. To appeal this you must:

- File your appeal with the Pollution Control Hearings Board within 30 days of the "date of receipt" of this document. Filing means actual receipt by the Board during regular office hours.
- Serve your appeal on the Department of Ecology within 30 days of the "date of receipt" of this document. Service may be accomplished by any of the procedures identified in WAC 371-08-305(10). "Date of receipt" is defined at RCW 43.21B.001(2).
