Re: Water Right Permit Nos. **S4-30541(B); S4-30544P(B); S4-30693(B)**

Based on the information you have provided, the Department of Ecology (Ecology) finds good cause for an extension of the above-referenced permits under RCW 90.03.320. The construction schedule must be prosecuted with diligence and completed within the time provided. Further extensions are not guaranteed and additional requests for extension will be subject to additional scrutiny. Ecology agrees to extend the above-referenced permits for Custom Orchards as follows:

Permit	Completion of Construction	Proof of Appropriation
S4-30541(B)	Complete	December 15, 2015
S4-30544P(B)	Complete	December 15, 2015
S4-30693(B)	Complete	December 15, 2015

Ecology bases the extension approval on the following:

- The scope and complexity of the project are such that an extension of time is reasonable.
    - Construction complete; extension given for submittal of Proof of Appropriation documentation.
- The applicant has proceeded in good faith to pursue these projects.

We have included draft superseding permits with the extended development schedule for your review for S4-30541(B), S4-30544P (B) and S4-30693(B). Final superseding permits will issue once the 30 day appeal period is over.

Please mail in the enclosed Construction and Proof of Appropriation form by the deadline. If you have any questions, please contact Tyler Roberts at tyro461@ecy.wa.gov or (509) 454-4257.
