Re: Water Right No. G2-29414 for Silver Hawk Water System

Dear Mr. McBride:

In response to your request, you are hereby granted an extension to complete construction for the reasons below:

- Due diligence is shown in development of the Silver Hawk project. A well, main line and pump house has been constructed and the final plat for the Silver Hawk project is expected to be submitted to Thurston County in September 2015.
- Additional time is required to complete construction due to the magnitude of this project for municipal supply purposes.

The new deadline to install a source meter and submit your *Construction Notice* and the enclosed *Meter Form 1* is **January 1, 2020**.

If you have any questions, please contact Marie Peter at (360) 407-0279 or mpet461@ecy.wa.gov.
