Re: Surface Water Permit No. S3-30091

Dear Mr. Hanlin:

In response to your request, you are hereby granted an extension to put the water to full beneficial use for the reason(s) below:

According to your request, you need additional time to repair the water system that was damaged by flooding in 2011. In addition, you have has major health issues that have prevented you from completing the project and putting water to full beneficial use. Be advised that the State Water Code requires that your project be pursued with diligence. It is important that construction of your project be completed and water be put to use within the time prescribed in the authorization. Your requested extension is a reasonably short period of time. We will grant you an additional year to put water to full beneficial use.

The new deadline to submit your *Proof of Appropriation of Water* is July 1, 2013.
