Re: Water Right Permit **CG2-GWC6766**

Dear Mr. Wallace:

In response to your request, you are hereby granted an extension to file a *Proof of Appropriation* on the above-referenced water right for the reasons below:

- Good faith and due diligence have been demonstrated by the permit holder by consolidating the exempt uses and decommissioning the existing wells, as well as a number of other water system improvements.
- Additional time needed to obtain sewer system approval which will allow the project to progress.

The new deadline to put the water to **full beneficial use** and send a completed Proof of Appropriation form is **October 1, 2014.**
