PENN ARMS ARMORER'S COURSE

DEDICATED TO YOUR MISSION

Over the past decade, training has become a major priority for law enforcement and corrections officers. At the CTS Training Institute (CTSTI), we take training seriously advocating preparedness before the worst case scenario unfolds. CTSTI is "Dedicated To Your Mission" combining product tools with knowledge and techniques. It prepares the individual officer for the situation while addressing policy and procedure for the agency managing the risks.

2 Day Penn Arms Armorer's Course \$125.00

This is an Armorer's Course designed for those officers assigned to the agency's armory and responsible for the care and maintenance of weapons and launchers. The course is hands on and will focus on care and repair of Penn Arms 37mm and 40mm Launchers. Both single shot and multi-shot launchers will be covered.
