

LEVEL ONE INSTRUCTOR

Entry Shooting Test (Revised 1/16)

INSTRUCTIONS:

Unless otherwise instructed officers will begin each position of fire from the "interview stance or position of interrogation" with handgun holstered and all retention devices properly secured.

Target/ SCORING:

Use the standard BLEA Combat target. Max score is 500 points, minimum passing score is 350 points or 70%.

Any hits outside silhouette or off target will result in 10 point penalty in addition to the 10 points the round was worth. Stage 8, two rounds must be to the head. If those two round are anywhere other than the head they are worth 0 points. Stage 9, officer must continue to move through the 5 shots/ if officer stops moving at any point until complete none of the 5 shots counts and will be scored as 0.

Except on designated stages/ Ammo management is responsibility of the officer.

Instructor will allow officers to top off magazines when the student feels it necessary.

Tell students to notify instructors at each stage if they did not get all of their rounds off. Instructors should track this for scoring purposes.
