

Enrichment Award Reading List

Recruits interested in an Enrichment Award need to read at least **three** of the following books in the 19 weeks they are here on campus. Recruits will prepare a one page (500 words) synopsis/book report documenting what they learned from each reading.

Please utilize the check-out system for signing out books. Books must be returned prior to checking out another (one book per recruit, at a time). All books must be returned and accounted for, prior to receiving a diploma/certificate. To ensure this, please turn in books the Friday before graduation. If you have questions or concerns about the books or availability please contact the BLEA Registrar.
