- This is a classroom session with a series of debriefings on high profile SWAT incidents from around the country. This includes videotapes and PowerPoint presentations specific to those incidents, as well as detailed debriefings, and lessons learned from:
- Sacramento, CA - The Good Guys
Electronics hostage taking
- Orlando, FL - Hostage accidentally killed
- Douglas County, OR - Hostage held at gunpoint inside a car
- Lubbock, TX - Barricaded subject incident ends with SWAT officer being shot and killed
- Detroit, MI - Hostage incident in bank, resolved by sniper
- Also covered are topics of sniper cover, sniper-initiated assaults, and action language, which coordinate sniper team activity with the entry team's movements.
