TASER® X2™ Electronic Control Device

The new Taser X2 is the new Force Option important to your agency. Join the Spokane County Sheriff's Office and Taser International for a presentation covering the specifications and options available to you for your agencies. We will also show the new technology and the advantages to it. See the new X2 Taser and see if the fit is right for your department. We will cover the upgrade option from your current Tasers and a representative from ProForce will be on hand to speak with you about purchases. Please contact us and reserve your seat today at (509) 477-3211 or jroliphant@spokanesherriff.org
