Felony Vehicular Crimes Prosecution and Investigation

This three-day course is designed for felony prosecutors and officers handling felony vehicular crime investigation, reconstruction, and/or prosecution.

Course will highlight the importance of creating and improving police-prosecutor cooperation in vehicular homicide cases.

Planned Agenda:

- ✓ Crash Reconstruction Basics
- ✓ Single Vehicle Collisions
- ✓ Car-Pedestrian Crashes
- ✓ Heavy Truck Reconstruction
- ✓ Direct and Cross Exam of expert witnesses
- ✓ Prosecutor's On Scene Role in a Fatal Crash
- ✓ Working with Victims and Hostile Witnesses
- ✓ Toxicology considerations
