

TASER

- Course:** TASER Technician Course
- Date:** February 1st – 2nd, 2012
- Time:** 0800-1700
- Location:** Spokane County Sheriff's Office Training Center
10319 E. Appleway
Spokane Valley, WA 99206

Description:

The Technician Course (formerly armorer course) will provide students with detailed information on how the M26 and X26 conducted energy weapons operate and how to maintain them. Topics covered will include: electrical outputs, power sources, weapon and cartridge tracking and maintenance, weapon and cartridge nomenclature, repair procedures, holster issues, troubleshooting, data downloads, flammability issues, post-use analysis, and other TASER products. Departments with a certified TASER Technician should experience fewer weapon malfunctions due to improper care, less weapon down time, and a more efficient TASER device management system. The X2 platform will also be discussed (though not in detail), including common maintenance issues and downloading procedures.

Cost is \$275 per person.

For questions, please contact Deputy John Oliphant at 509-477-3211.
