

Richland Police Department

2012 Training Announcement

WSP Auto Theft Training/WSP Crime Lab Vehicle Processing

Instructor: Sgt. Dave Bolton and Trooper Jeff Thoet

Date: September 4-6, 2012

Cost: Free

Course Description:

Richland Police Department is hosting a three-day auto theft / vehicle processing class. This class is aimed at the patrol officer/deputy. The first day will be classroom instruction taught by WSP Sgt. Dave Bolton and Trooper Jeff Thoet. Topics will introduce the patrol officer/deputy to proper theft and recovery reporting, auto theft laws, basic VIN locations & fraudulent VIN identification, basic chop shop identification, auto theft investigation, etc. The 2nd & 3rd day will be taught by WSP Crime Lab in how to properly process a recovered stolen vehicle. Several evidence collection techniques will be discussed and demonstrated. Vehicles will be provided to the class for practical application & instruction.

Additional Information:

- Class is limited to the first 20 registered.
- All classes begin at 0800 hours.
