Commercial Motor Vehicle Enforcement – Basic

Location: **Bonney Lake Police Department (253-863-2218)**
18421 Old Sumner – Buckley Hwy, Bonney Lake, WA. 98391

Course Date: April 30th thru May 4th, 2012
Course Time: Monday thru Friday 0800 – 1700, 1-Hour lunch each day

Course Cost: **\$ 325.00 per Student (Includes Deluxe Catered Lunch – Monday thru Friday)**
All Class Materials are provided.

Course Instructors: This course is presented by Officer Diess of the Fife Police Department.

Course Information: This course is divided into six major components;

- 1) **Commercial Driver & Vehicle Licensing:** The student will be able to distinguish between the different types of Commercial Drivers Licenses, their endorsements and restrictions and other required driver qualifications. The participant will be able to correlate these licenses with the different types of commercial vehicles.
- 2) **Required Equipment, Components and Load Securement:** The student will be able to determine the effectiveness of the vehicles equipment and determine whether or not the equipment is in compliance with federal and state regulations. The participant will receive in-depth instruction on a commercial vehicles components and required equipment. The student will acquire working knowledge of the lawful and proper methods of load securement for commercial vehicles.
- 3) **Size, Weight & Load:** The student will learn properly weigh a commercial motor vehicle using portable scales to determine its compliance with city, county and state weight regulations and road restrictions. The student will receive working knowledge of the requirements for transporting over-dimensional and over legal weight loads.
- 4) **Inspection Procedures:** The student will learn to properly perform a Level II and III Commercial Vehicle Inspection. This is the same inspection that the State Troopers perform. These inspections are commonly called a walk around inspection.
- 5) **Record of Duty Status:** The student will receive the latest information on federal and state Record of Duty Status Like with Load Securement, the FMCSA and the CVSA have revised all of the regulations regarding a driver's hours of service or record of duty status. Many major changes have been made that will drastically affect local and long haul commercial drivers.
- 6) **Hazardous Materials:** The participant will receive general regulatory training dealing with commercial motor vehicles transporting Hazardous Materials through populated areas, i.e. where they can and cannot be parked, filing routing plans and loading and unloading procedures.
