

An eye-opening 1-day seminar you should not miss!

May 14, 2012, Spokane County S.O. Training Center

Many espouse the overthrow of the government through extreme acts of violence ... and you. the police, are their inevitable target of direct confrontation.

Ardently protective of the First Amendment, yet concerned with destructive, lawless behavior, this one-day "intelligence sharing" seminar examines a number of domestic threats in keeping with the Department of Justice's efforts to fight "homegrown" terrorism... from the lone wolf, separatists, sovereigns, vocal extremists, and confrontational anarchists to the less obvious, cloaked and potentially disastrous hidden threats, that are only waiting for the right opportunity to ignite.

*** EMPOWER YOURSELF...LEARN ABOUT THEIR IDEOLOGY, TRAITS, NETWORKS AND SHOCKING CONNECTIONS***
