

# The Centralia Police Department & the FBI LEOKA Program presents:

The FBI's Law Enforcement Officers Killed and Assaulted (LEOKA) program is a nation-wide law enforcement safety initiative. Ongoing research is dedicated to our nation's law enforcement professionals who continue to make many sacrifices in serving and protecting society. The **FBI-LEOKA Officer Safety & Survival Program** is designed to assist law enforcement managers, trainers, and personnel in the identification of training issues for the purpose of preventing the deaths and/or serious injuries of law enforcement personnel. This program is based on more than twenty-years of research by the FBI in collaboration with local state, and federal law enforcement agencies throughout the United States.

This presentation includes review of case studies with video interviews of officers and offenders involved in violent encounter situations.
