CENTER FOR FORENSIC NURSING EXCELLENCE LLC**

---

Forensic Medical Analysis of Child Development  
and Maturation in Child Pornography Investigations

**Space is Limited! Register Today!  
Open to all ICAC Task Forces & ICAC Affiliates**

Date: July 24, 2012  
Time: 8:30am – 5:00pm  
Location: Spokane County Sheriff's Training Center

Cost: There is NO FEE to attend this training. Travel, accommodations, and any other additional costs are the responsibility of the participant and/or their agency.

Participants will learn about forensic medical analysis of child pornography images, including the purposes and limitations of analyses, standards in victim age approximation and sexual maturity ratings, advanced descriptive language skills, and considerations for collaborative relationships with forensic medical practitioners. The participants will primarily be law enforcement personnel who investigate cases involving technology facilitated crimes against children. The training will provide specialized knowledge related to understanding and utilizing a forensic medical practitioner's analysis to assist victims and aid in the prosecution of their offenders.

To REGISTER, go to <http://www.surveymonkey.com/s/ZYQG8PX>

For additional information about the training, contact SPD Program Analyst at [jenifer.lopez@seattle.gov](mailto:jenifer.lopez@seattle.gov). Registration closes July 3, 2012.

This project is supported by Grant #2009-MC-CX-K016 awarded by the OJJDP, and our ICAC Task Force regional partners, the US Attorney's Office- Eastern Washington Division, and the Spokane County Sheriff's Office.
