TTOS will be holding a Level 1 Train the Trainer class July 30th through August 3rd, 2012, at Marysville, Washington

TTOS Train the Trainer Program

In order to enable departments to maximize their budget options, TTOS has agreed to institute a “Train the Trainer” program specific to their highly sought-after Visual Tracker Course.

In addition to allowing for a more efficient use of sparse training budgets, the TTOS Train the Trainer also allows departments to allocate hours and configure training in a fashion that best suits their needs.

The TTOS Instructor Development course is a 5-day program of instruction wherein candidates will learn, in addition to *course-specific* material:

- The Training Process
- Elements of Skill Training
- Course Development
- The Four-Element Core
- Strategies for Preparation and Delivery

Cost: TTOS is offering the Train the Trainer Program for a cost of \$650 per student*

Prerequisites:

1. Must have attended TTOS level 1
2. Agency must agree to purchase curriculum license
