

2012 Oregon CJIS Users Workshop

When: September 30 – October 3, 2012

Where: Embassy Suites @ Portland Airport

Description: With criminal justice presenters from LEDS, the FBI, and other critical organizations, this two and a half day workshop provides timely information on current issues, trends, and technology. Experts from various agencies and organizations will deliver information on diverse topics critical to increasing the efficiency of our various systems, and thus ultimately the safety and security of our citizens.

The diversity of the presenters and topics is intended to foster a unique educational experience encouraging attendees to expand their thought process, and thus, their cadre of professional and leadership skills. Throughout the two-and-a-half days of this workshop you will receive information on current laws, policies, and resources as well as succinct, yet consistent, messages of positive attitudes, ideas, and leadership qualities.

The workshop is open to all criminal justice practitioners at all operational levels, i.e. patrol, dispatch, records, support, etc. Anyone whose agency is responsible for discharging a criminal justice function will benefit from participation. Any active or retired members of the public safety/criminal justice professions are also welcome. The workshop provides a one-of-a-kind environment for expanding your skills. Moreover, using the breaks, meal times, and evening hours to visit with like-minded colleagues significantly broadens your professional network.
