If your agency receives or plans to receive government grants, this class is for you. Beginning and experienced grant managers and administrators from city, county and state agencies as well as nonprofits, K-12, colleges and universities are encouraged to attend. You *do not* need to work in the same profession as the host agency. Also consider attending the upcoming Spokane Valley grant writing class, January 8-9, 2013, where you'll learn how to find grants and how to write winning grant proposals (class in January 2013 – check www.grantwritingusa.com for details).
