

# Sovereign Citizens

Sponsored by

## Who Should Attend

- State, local, and tribal patrol and street-level law enforcement officers, and WSFC certified Fusion Liaison Officers. Course topics address the basic beliefs of sovereign citizens and the threats that the criminal extremist element of sovereign citizens present to law enforcement officers. Extensive coverage will be afforded to indicators that law enforcement officers can observe and hear to better enable them to recognize sovereign citizens and determine the level of the threat. Emphasis will be given to the problems that sovereign citizens present in court and other legal situations.

## Topics of Instruction

- Sovereign Citizens Overview by Robert F. Harris
- Understanding the Threat by Robert H. Paudert
