

Standardized Field Sobriety Testing (SFST)

Standardized Field Sobriety Testing (SFST)

SFST is the training class that Washington State wants all officers to be trained in. At the end of the three day class, officers will receive instruction on scientifically tested methods to detect, screen, and process DUI drivers. This SFST training course includes a live drinking lab workshop. This is a NHTSA/IACP developed course, and can be utilized anywhere in the United States.

Maximum class size of 20.

Minimum class size of ?.
