## "Forensic Case Study" of the 1993 Kidnapping and Murder of Polly Klaas

*Presented by: Edward L. Freyer*  
Undersheriff, Walla Walla County Sheriff's Office

This presentation will review Law Enforcement's initial responses and key factors in the Polly Klaas Kidnapping and Murder that proved to be a successful investigation and prosecution. Eddie Freyer was the lead FBI Agent and worked hand in hand with local, state and county law enforcement agencies who's cooperative efforts resulted in locating and arrested the suspect.
