---

**Course  
Description**

*Mindful Supervisor is one of NIC's most unique programs. Three days of self-exploration and supervision skills focused on inner growth and future success. Participants engage in various activities drawing from their own experiences to become more "mindful" leaders. The best candidates for this program will be Lieutenants and Captains, or equivalents, or staff from any level with previous supervisory experience inside or outside DOC.*

---

**Instructors**

**The instructors for Mindful Supervisor will include:**

- *Brent Parker, Associate Director of Training  
State of Colorado Department of Corrections*

---
