

SWAT TEAM LEADER

Date: May 6th – 8th, 2013
Tuition: \$400.00
Location: Lakewood Police Department
9401 Lakewood DR SW
Lakewood, WA 98499

The team leader course is designed to teach you everything you need to know to effectively lead officers on high-risk missions. We cover everything from setting standards, selection & training of personnel, & combat leadership and mindset.

The class will teach you how to plan, coordinate and lead on a variety of missions. We use a variety of table top exercises to drive the lessons learned home. This class is appropriate for any officer or supervisor who is in a position to lead officers during high-risk operations.

About Tap-Rack Tactical:

Tap-Rack Tactical is owned and operated by Bill Blowers. Bill has over 25 years of tactical experience between the US Army and as a Police Officer. Bill is currently a Sergeant for a Municipal Agency in Washington State. He is assigned to his department's training division and is a team leader for a large regional SWAT team in Washington State. Bill has over 17 years of experience and has planned hundreds of operations. As a SWAT Operator, Bill has held positions as a sniper, ballistic shield bearer, entry team member, and assistant team leader. Bill holds instructor certifications in a variety of topics and is the primary instructor for ALL Tap-Rack courses. We intentionally keep our class sizes small to ensure proper instructor to student exposure and mentoring. Please contact us for an updated instructor vitae and qualifications.

Tap-Rack Tactical, LLC is a police training company designed to provide quality instruction at a reasonable price. We focus on Law Enforcement and SWAT related tactical training and DO NOT open our courses to civilians. Our training is designed with common sense and tactics or techniques for the real world.
