Course Overview

PowerPoint® for Public Safety™ is designed to assist all public safety personnel become more efficient and proficient with PowerPoint®.

95% of our students report they are "self-taught" in PowerPoint, most say they "use it pretty well", but almost all report "they're not using it to its full potential". PowerPoint® for Public Safety™ address this need by providing the critical skills needed to effectively present information in a variety of settings including: the Academy, in-house/in-service training, public meetings, courtroom, and executive briefings.

This course has been presented at Administrative, Communication, Executive, Forensic, Homicide, Instructor, Intelligence, Investigation, Narcotic, Prosecution, and Tactical conferences for 15 years.
