Registration is at [www.activeshootertraining.com](http://www.activeshootertraining.com)

## **Active Shooter Shotgun Breaching Instructor Oct 25-26, 2013**

**This two day course on the first day will prepare first responders for the likelihood of a forced entry breach on an active shooter/active terrorist event. Students will learn safety protocols, carry methods, and deployment strategies of the shotgun as used for breaching. Students will also demonstrate learned techniques by teaching others during the course. *Cost \$300***

## **Active Shooter Shotgun Breaching Operator Oct 26, 2013**

**This is a one day course will prepare first responders for the likelihood of a forced entry breach on an active shooter/active terrorist event. Students will learn safety protocols, carry methods, and deployment strategies of the shotgun as used for breaching. *Cost \$175***

## **Single Officer Active Shooter Instructor Nov 18-22, 2013**

**This is a 5 day, 48 hour course that is a combination of the Single Officer Active Shooter Response Course and the Active Shooter Team Leader Course. Upon completion, students will have the information and techniques necessary to plan and implement thorough, on-going training at their respective agencies for single officer response. Course topics also include policy implementation and course development. The focus of this course is "what to teach" not "how to teach", so students should possess instructor certification(s) and be active instructors to attend. *Cost \$700***

## **Single Officer Response Course Nov18-20, 2013**

**This is a 3 day intensive scenario based course designed for single person response to an active shooter event. It is ideal for SROs and those rural agencies where waiting for a full team to arrive is not an acceptable option. *Cost \$375***
