

Washington Association of Coroners & Medical Examiners

2013
Exhibitor Prospectus

June 3 – 5
Chelan, Washington

The Association

A professional organization of Washington State coroners and medical examiners and their deputies, charged with or interested in the execution and enforcement of state law;

To provide for the prompt exchange of information pertaining to the duties, methods and official practices of members;

*To provide for the continuing education in all matters relating to coroners/medical examiners and the safety and welfare of the public;
To promote communication and cooperation with the law enforcement and the medical community and with other individuals and agencies involved in the death investigation.*

To serve the public with respectful caring for the deceased, compassion for the living and safeguarding of property;

This organization will be bringing many decision makers to one location for training and education. This Annual Training Conference will be a valuable opportunity to network with Coroners, Medical Examiners, Deputy Medical Examiners and their staff..

This is an excellent opportunity for you, the supplier to interface directly with these professionals. This prospectus will highlight what you need to know to be part of the Washington Association of Coroners and Medical Examiners Annual Training Conference, June 3-5 2013 in Chelan Washington.

Tuition

There are no registration or tuition fees associated with this training.

Reimbursement

Claim vouchers will be provided to attendees that work for a coroner, coroner-prosecutor, or medical examiner offices. Attendees will be reimbursed for lodging at the conference rate of \$77.00 only, room sharing is *Highly Recommended* if attendee genders allow; meals will be provided throughout the conference except for dinner on Monday evening (the per-diem rate for this meal will be reimbursed)..

In addition, registrant MUST attend all blocks of instruction and its entirety. Each attendee will be a required to sign in each morning and out at the end of each day to receive reimbursement.

As with all agencies the WACME training budget is fixed, and the monies allowed for training remain the same as in previous years. However, the WACME Executive Board is stretching our monies to gain a higher level of participation from the counties. Even though our budget remains the same, the current economic trends have created an increase in all expenditures.

As the WACME Executive Board strives to continue a high level of training, we would like to thank all attendees in advance for his or her attendance and the conscious effort to reduce conference reimbursement costs.
