

PREPARED

LETC 2013

SEPT. 9-13
PROVO, UTAH

WHY LETC

To help departments across our great nation get the quality firearms training they need and deserve. For over 20 years, LETC has combined world-class instructors and a comprehensive curriculum into a single training event. You get advanced instructor training for several different subjects. All in the same week and at one low price! It would be impossible for any department on its own to

bring together such a wide variety of superior trainers and topics, which is why LETC has become such an important opportunity. As many have learned, you better come ready to shoot because LETC keeps you working on the range, all day, every day. Don't let the low cost fool you. LETC provides the most and best training you will find anywhere at any price!

REGISTRATION - \$500 PER PERSON

Your tuition includes the following:

- Four 8-hour classes taught by world class firearms instructors
- Six meals (4 lunches, BBQ dinner, and the closing banquet)
- LETC "Dirty Harry" competition
- LETC Collectible T-Shirt
- Official certificate of completion signed by your instructors
- Tons of trigger time, red carpet treatment, and no egos
- Exchange ideas with training professionals from across the country

SCHEDULE

Monday the 9th is a travel day with check-in. Classes will be held Tuesday through Friday from 0900 to about 1700.

LODGING

The host hotel will be the Fairfield Inn & Suites in Provo, UT. A group rate has been negotiated for the event which includes free internet in the rooms and breakfast at the hotel. More information will be provided in the confirmation letter you receive after registering.

EQUIPMENT

You will be responsible for providing all personal equipment including weapons and ammunition. Ammunition round counts and other equipment requirements for each class will be included in your confirmation packet.

DEADLINES

LETC will be limited to the first 160 PAID applicants. Classes will be filled on a first-come, first-served basis. Payment must be arranged 30 days before the first day of class to avoid losing your slot.

2013 COURSE

ADVANCED PRACTICAL HANDGUN

MIKE LEHNER - SAFARILAND SHOOTING SCHOOL/ACTION TARGET ACADEMY

Based on the concept of “get them out of their comfort zone,” this course will provide you with powerful new training tools that can be used on even the most primitive ranges. Learn how to set up and conduct challenging tactical scenarios that expose critical weaknesses in equipment and technique. This course will demonstrate how the many challenges of modern firearms training can be met, even by departments with extremely tight budgets. You will experience first hand how simple portable targets can be used by any department on any range to elevate practical firearms training to dramatic new levels.

INSTRUCTOR BIO: Mike has been a law enforcement firearms instructor for over 30 years and is the Chief Instructor for the Safariland Shooting School. Mike has achieved the status of CPPA Grand Master, IDPA Master, and IPSC “A” Class and has been a guest instructor throughout North America and Europe.

ULTIMATE SHOTGUN

BRIAN HOFFNER - SAFARILAND SHOOTING SCHOOL/HOFFNER'S TRAINING ACADEMY/ACTION TARGET ACADEMY

This Course introduces you to the high speed world of Safariland Shooting School's Tactical Shotgun Program. Painlessly increase your level of speed to a blistering level with the skills necessary to win the deadly fight and go home at the end of the day. Drills include: Operational positions and indexes, maximum speed presentation, sights and trigger scale, multiple threats, select slug procedures, high speed reloads, transition, and active scanning through the active fight cycle. You will be surprised at how fast you hit and win! Shooters will compete for top gun through multiple events.

INSTRUCTOR BIO: Brian Hoffner, a 30-year Houston Texas Master Police Officer, Senior Firearms Instructor, and Director of Hoffners Training Academy, is known and respected as a leader in his field. Brian's style of motivating his students while progressively teaching hands, knife, pistol, shotgun, rifle, and tactics make him a trusted favorite throughout the country. Brian is known for his innovation and high level of intensity while training. He brings out the best in his students and ensures a positive learning experience for all.

EXTREME CLOSE QUARTER BATTLE TACTICS WITH HANDS, KNIFE, AND PISTOL

BRIAN HOFFNER - HOFFNERS TRAINING ACADEMY/ACTION TARGET ACADEMY

Brian Hoffner combines decades of research in combat neuro-physics with his martial arts based SoSu Warrior program, and revolutionary target technology from Action Target, to provide this hard hitting application of practical tactics necessary to win the violent close quarters encounter. Close quarter attacks typically begin with your gun in the holster and the bad guys gun in your face, no problem...Hoffner's CQB tactics work. They are easy to learn, master, remember, use confidently and WIN! These skills are extremely necessary in today's extreme world.

REQUIREMENTS: Good physical condition, pistol, strong side only holster (no cross draw, appendix, or small of back), 150 rounds ammunition, ear and eye protection, red or blue gun to match your pistol recommended but not required.

***NOTE: Do not bring live blades. Training knives will be provided for the class.**

RAPID DEPLOYMENT PATROL RIFLE OPERATOR

JOHN KRUPA III – SPARTAN TACTICAL TRAINING GROUP, LLC/ACTION TARGET ACADEMY

This intense firearms training course focuses on instructor development techniques for tactical speed shooting, aggressive gun-handling skills and dynamic action during tactical deployment with the rifle. Students will develop reflexive gun-handling skills with the rifle that will enable them to quickly and efficiently engage threats while performing multiple complex tasks.

PRE-REQUISITE: This is an advanced rifle skills building course. Students must be a certified rifle instructor or certified rifle operator to attend this course.

STUDENT REQUIREMENTS: Note pad and pen, eye protection, ear protection, baseball type cap, duty belt with holster and magazine carriers, duty pistol with at least two magazines, patrol rifle with at least three magazines, tactical sling, 500 rounds of rifle ammunition and 50 rounds of handgun ammunition.

INSTRUCTOR BIO: John is a police officer with the Orland Hills Police Dept. and has over 21 years of experience in Law Enforcement. He has previously served as a patrol officer, rapid response officer, FTO and firearms instructor with Chicago PD. He is a certified Master Firearms Instructor from PTI and graduate firearms instructor from the Secret Service Academy, FBI, DEA and FLETC. John has attended the last 10 LETC's and has presented courses as a guest instructor at ASLET, GTOA, IALEFI, ILEETA, ISOA, MTOA, NTOA and TTPOA conferences.

TRAINING FOR THE FIGHT WITH THE PISTOL

JAMES WASHINGTON, JR. & VINCE JAMISON – SPARTAN TACTICAL TRAINING GROUP, LLC

This 8-hour training program focuses on developing effective and practical gunfighting skills with the handgun. Students will be introduced to instructor development drills and advanced gunfighting concepts that are necessary to win deadly force confrontations. Drills will concentrate on weapon manipulation and multi-tasking during dynamic movement, with student's gun-handling skills being evaluated with instructor feedback throughout the course.

STUDENT REQUIREMENTS: Note pad and pen, eye protection, ear protection, baseball type cap, duty belt with holster and magazine carriers, duty pistol with at least three high-capacity magazines or five single stack magazines and 500 rounds of handgun ammunition.

INSTRUCTOR BIO: James is a firearms and tactics instructor with the U.S. Department of Energy (DOE) and has over 16 years of experience in law enforcement. He has previously served as a patrol officer, FTO, firearms instructor and Sergeant with the Northwestern University Police Department and also has over 10 years of service with the Chicago Housing Authority Police, serving 6 of those years detailed to the FBI Gang Task Force in Chicago. James has attended 4 LETCs and has presented courses as a guest instructor at ASLET, ATOA, GTOA and IALEFI conferences.

INSTRUCTOR BIO: Vince is a police officer with the Chicago Police Department and has over 9 years of experience in law enforcement. He has served as a patrol officer, gang officer and firearms instructor. He was instrumental in the development of the Chicago Police Department's 40-hour Patrol Rifle Operator Course, and has served as the lead instructor for that program since its inception. Vince has attended 4 LETCs and has presented courses as a guest instructor at IALEFI, ILEETA and MTOA conferences.

EMERGENCY MEDICAL RESPONSE FOR FIREARMS INSTRUCTORS

BRIAN BARDSLEY, JR. – SPARTAN TACTICAL TRAINING GROUP, LLC

This course focuses on providing firearms instructors with the skills and knowledge to develop emergency medical action plans and a practical introduction to basic management of life threatening trauma injuries. Lectures focus on gunshot wound care, pre-incident planning, mindset, communication and equipment and transportation considerations. Principles of anatomy and physiology will be covered in addition to assessment and treatment modalities. Skill stations will provide hands-on experience with medical equipment.

STUDENT REQUIREMENTS: Notebook and pen. Attendees will receive a detailed manual with course materials as well as a CD with class power point presentation.

INSTRUCTOR BIO: Brian is a police officer with the Chicago Police Department and has over 10 years of experience in law enforcement. He is a certified paramedic, EMT and TEMS operator. He has extensive experience as a paramedic, and brings a wealth of knowledge forth as a veteran combat medic in the U.S Army treating combat casualties in Iraq. He has made over a dozen guest speaker presentations on Combat Casualty Care at various hospitals and rehabilitation centers as well as ILEETA, ISOA and previous LETC's.

SHOOT, MOVE, COMMUNICATE

INSTRUCTOR TO BE ANNOUNCED

Tactical communication, controlled movement, use of cover, and accurate shooting - These are skills that must be effectively applied by armed personnel to resolve and survive close-range armed confrontations. Students will participate in range activities that will help them learn and apply techniques and tactics for integrating safe gun handling, marksmanship, mobility, and verbalization. Along with movement-oriented shooting exercises involving multiple stationary and moving targets, there is also a strong emphasis on the proper mind-set for combat survival.

GLOCK ARMORER'S COURSE

STEVE DRYER – GLOCK TRAINING DIVISION/ACTION TARGET ACADEMY

Introduction-safety rules, safe action system design, function of safeties, unloading and clearing, field stripping and reassembly, detail dis-assembly and reassembly of slide, detail dis-assembly and re-assembly of receiver, fire control component configurations/engagement, multiple practice dis-assembly and re-assembly of entire pistol, sights/tools, diagnostics/trouble shooting guides, review, written examination (minimum score 80%) class completion.

INSTRUCTOR BIO: Steve Dyer began his career as a police officer but quickly moved into a training role. He is a state certified instructor, firearms instructor, field training officer, and is a graduate of the Bill Blackwood Law Enforcement Management Institute at Sam Houston State University. Steve began to work for GLOCK Inc. in 2009 as a Commercial Sales Manager for the south-central United States covering Texas, Oklahoma, Kansas, Nebraska, and Louisiana. In August 2011, he switched to GLOCK Professional where he is now a firearms instructor teaching armorer's courses, instructor workshops, advanced armorer's course, and the G18 operator's course to law enforcement and military in the central United States.

“REACTIVE SHOOTING” SHOOT FASTER AND MORE ACCURATELY THAN YOU THOUGHT POSSIBLE

PETER TARLEY - POLICE TRAINING DIVISION

Go well beyond your best performance with a handgun, and teach others to do the same. You will be amazed at how much faster you can actually be while maintaining combat accuracy! Using Action Target's Steel Bobbers and special programs, you will be able to: at 7 yards make 2 chest shots and 1 head shot in 1.68 seconds from a low ready.

- Develop a functional tactical scan
- Increase the speed of your reload
- Develop a faster draw and first shot hit
- React properly to multiple target situations
- Quickly discriminate between friendly and hostile targets
- Extremely rapidly identify and hit targets from 7 to 15 yards
- See how shotgun and/or handgun caliber carbine skills can be improved
- Shoot about 800 rounds of handgun ammunition with focused intent
- Optional: 20 rounds of buckshot or birdshot NO SLUGS ON THIS RANGE
- Learn how to use these techniques with new or seasoned shooters

INSTRUCTOR BIO: Peter served for more than 10 years on the board of directors of the International Association of Law Enforcement Firearms Instructors (IALEFI) and has been a regular presenter at national and international conferences since 1986. He presently supervises all Use of Force Training for the New York State Zone 4 Police Academy. He is a Master Instructor and authorized by the State of New York to train and certify law enforcement instructors. For over 20 years, Mr. Tarley has been under contract with the state of Connecticut to provide annual training for instructors and special team members at the State of Connecticut's Police Academy. He is the founder and president of Police Training Division.

SHOOT HOUSE TRAINING - INSTRUCTOR TRAINING

BOB SCHNEIDER - JDS TACTICAL, INC

Shoot house training provides officers with the ability to move their square range shooting skills to realistic, high stress conditions in a live fire shoot house. This course offers instructors all the necessary skills to build a safe and effective shoot house training program. This course will cover:

- Safety issues in the shoot house
- The responsibilities of the shoot house instructor
- Program development
- How to integrate the range and the shoot house in training
- Working with tactical teams in the shoot house
- Live fire exercises

STUDENT REQUIREMENTS: Equipment required: Pistol with three magazines and duty belt, 50 rounds of pistol ammunition, wraparound eye protection, ear protection, brimmed hat, and soft body armor.

INSTRUCTOR BIO: Bob is the owner of JDS Tactical Inc. and starting his fourth decade as a certified firearms instructor. His experience includes a highly decorated career with the Denver, Colorado, Police Department. Bob was assigned to the department's full time SWAT Unit for 18 years. After retiring from Denver, Bob became a trainer with the world famous Heckler and Koch International Training Division. There, he was awarded the Trainer of the Year and eventually became the Director of Training. Bob is currently an adjunct instructor for Gunsite Training Academy where he is a range master for pistol, shotgun, carbine, and submachine gun. He is also currently an adjunct instructor for the Sig Sauer Academy where in teaches Armorer's Certification Courses and where he developed the 1911 Operator's and Armorer's classes. He has also taught and developed course curriculum for the SureFire Institute, Bravo 18/OSS, Pepper Ball, and ALS Technologies. He is recognized as an expert in simulation training and has consulted for Ti Training and Real Action Marker.

HIGH PERFORMANCE HANDGUN

LEO HATHAWAY - CLAYTON COUNTY POLICE DEPARTMENT

For better or for worse, the handgun remains the primary firearm for law enforcement work. This intensive program will help you develop techniques that are tactically efficient and effective for the handgun under stressful situations. Based on economy of motion, the unique techniques presented will elevate your operational efficiency far beyond that of basic skill development. You will be able to respond to hazardous situations rapidly and safely with determination and confidence. This course will cover:

- Handgun safety and handling
- Sighted vs. unsighted shooting
- Alternate shooting positions
- Multiple threats / multiple shots
- Shooting while moving
- Engaging moving threats
- Dominant and support hand drawing, firing, reloading, and stoppage clearing

INSTRUCTOR BIO: Leo Hathaway is a legend in the law enforcement community with nearly 40 years of experience under his belt. Leo began his career as a police officer before moving into firearms instruction. He has now worked as a firearms and law enforcement defensive tactics instructor for more than 30 years. Leo is a federal court recognized expert witness (law enforcement use of force, firearms, officer survival, defensive tactics) and is serving a second term as the president of the Georgia Association of Law Enforcement Firearms Instructors. Leo is also a member of the NRA, GALEFI, IALEFI, ILEETA, and NTOA.

“DIRTY HARRY”

This event will be designed by Action Target and will be officiated by certified range personnel and safety officers. As in past years, the winner will receive their choice of free tuition for LETC/2014, OR a firearm. The prize not chosen first will be given by raffle to those competitors at the Thursday night banquet! In addition, there will be many other prizes awarded to competitors in the event by raffle, so everyone has a great chance to win. Sign up early as space is limited to the first 100 competitors.

REGISTRATION IS LIMITED TO LAW ENFORCEMENT, MILITARY AND PRIVATE SECURITY PERSONNEL ONLY.
