

# Officer Survival Training

August 12, 2013

## Below 100 Intensive 0800-1200

(Appropriate for all ranks & assignments, particularly FTO/PTO's,  
First Level Supervisors, & Dept. Mentors)

&

## Below 100 Instructor 1300-1600

Limited to 25 – This is a Train-the-Trainer class. You must attend the morning session and you must be an experienced law enforcement trainer.

Attendees will receive full access to all training and support materials.

### The mission of Below 100:

**Reduce line-of-duty police deaths to fewer than 100 per year (not seen since 1944).**

*When it comes to Below 100, we're all in!* Commissioner Joe Farrow, Calif. Highway Patrol

*The main thing that Below 100 is doing that no one else has ever done is that it puts the focus on the individual officer, regardless of gender, age or assignment. This is not a pipe dream, this is reality based. We can do this.* Col. (Ret) Bob Lindsey, Jefferson Parish Sheriff's Office, LA

**Location: TACOMA/PIERCE COUNTY EMERGENCY OPERATIONS CENTER**  
2501 S. 35th St. Suite D  
Tacoma, WA 98409-7405

*\*Directions & Parking listed on second attachment*

**FREE but you must register! Limited Seating.**

**[www.Below100.com/events](http://www.Below100.com/events)**

**Presenter at this session will be:**

Dale Stockton is the Editor-in-Chief of *Law Officer* magazine & LawOfficer.com. He is a 32 year law enforcement veteran & the director of Below 100. He has presented the program to thousands of officers across the country.

**DIRECTIONS TO  
TACOMA/PIERCE COUNTY  
EMERGENCY OPERATIONS  
CENTER**

**2501 S. 35<sup>th</sup> St. Suite D  
Tacoma, WA 98409-7405  
253-798-6595**

1. From either northbound or southbound, I-5 go west on 38<sup>th</sup> St. (Exit #132).
2. Move into the right-hand turn lane and approach the 38<sup>th</sup> St. & Steele S. intersection.
3. Turn RIGHT onto Steele St. Stay on Steele (Costco is on your right), until you hit the stoplight at the intersection of Steele and 35<sup>th</sup>. The building directly in front of you is “Annex West” - our building.
4. Turn RIGHT onto 35<sup>th</sup> and IMMEDIATELY turn LEFT into the first drive.
5. Proceed to parking beyond the chain link fence at the back of the building. (Parking near 35<sup>th</sup> St and along the rock wall is reserved for the Auditor’s Office.) **ONLY PARK IN DESIGNATED STRIPED PARKING SPACES** – No parking is allowed anywhere near the warehouse loading docks.
6. Walk to the main EOC Entrance Door. The doors are secured and you will be granted access by someone covering the EOC Reception Desk. (For classes, the doors will be open about 15 mins prior to the start of class).
