

THE GLOBAL LEADER IN SHOOTING RANGE DEVELOPMENT • EQUIPMENT • SERVICES

PRACTICAL FIREARMS TRAINING

SPOKANE POLICE DEPARTMENT

OCTOBER 3, 2013

Spokane, WA

Because up-to-date training and education are vital to your success, we invite you to an intensive 1-day training event titled Practical Firearm Training. This course will examine the challenges of today's firearms training requirements and shooting range management issues. The first part of the morning will show how Steel shooting range equipment can help you meet those challenges safely and effectively. We will then move to the range for the live-fire training designed to demonstrate and reinforce the concepts discussed in the classroom.

YOUR TRAINING EXPERIENCE WILL INCLUDE:

This intense 1-day training course will concentrate on advanced firearms training techniques and drills while using Action Target's steel portable target systems.

This course focuses on helping shooters improve their overall skill-set while educating shooters, range safety officers and firearms instructors alike on safety, proper set-up and use of steel targets on the range.

With a tough economy, and agencies on extremely tight training budgets, this course will also cover how easy and simple it is to use portable targets to streamline live-fire range drills and scenario based training sessions.

Register with us today for one of our mobile training courses and learn how you can enhance the firearms training programs at your range!

Mike Lehner - Action Target Academy

Instructors Bio: Mike has been a law enforcement firearms instructor for 29 years. Mike is the Chief Instructor for the Safariland Shooting School. He has achieved the status of CPPA Grand Master, IDPA Master, and IPSC "A" Class. He has been a guest instructor throughout North America and Europe.
