

Meal Ticket Program

I and all the staff at the **Academy Café** would like to say WELCOME! To help you get started, I would like to explain our meal ticket program. If you are not sure if you are supposed to be on this program while attending the academy, please ask.

The meal ticket itself will last your entire stay. When you first come in the serving area, please place the meal ticket on your tray so it is visible to my staff. It needs to be presented at each meal. The card needs to be signed to be valid and is non-transferable. The details of what the meal ticket program provides are listed on the back of this handout. **If you have any additional items, you will need to pay the cashier for them before you leave the serving area. Additional servings of food at meal times, pre-packaged snacks, bottled and canned beverages and espresso service beverages are available outside of the meal ticket program but must be purchased separately. Beverages and snacks acquired in between meals are not covered under the meal ticket program and must therefore be purchased.**

We post our daily lunch and dinner special on the menu board. If you do not want our specials then you must preorder a burger or a deli sandwich. Please note that our deadlines for pre-ordering are 10:00 a.m. for lunch and 1:00 p.m. for dinner. It is best to order lunch's preorders at breakfast time and dinner's preorders at lunch time. If you are a vegetarian or have other special dietary needs, just let us know and we will do our best to accommodate you.

Thank you and we hope you enjoy your dining experience here at the **Academy Café**.
