

SIMUNITION®

Lewis County Sheriff's Office

345 W. Main Street
Chehalis, WA. 98532

IS PROUD TO HOST THE

SIMUNITION® SCENARIO INSTRUCTOR AND SAFETY CLASS

February 11-13, 2014

Does your organization have anyone factory certified? In today's world of liability, problems are everywhere. You have to validate all aspects of your training coverage. Because of recent court cases, agencies are required to train their personnel as close to reality as possible. Nothing comes as close as training against a real person that has the ability to replicate an actual lethal force encounter, just like we may encounter any day on the street.

The class is designed to provide training to instructors who will run training in your perspective department. The class covers all aspects of reality-based training and provides product information, program development, scenario design and implementation, instructor development and procedures to run training safely. Officers/Agents/Operators are injured enough on the street, they should not be injured in training.

Officers/Agents/Operators can obtain additional information and register for the class on the web: www.simuniton.com. Class size is limited so early registration is recommended. Officers/Agents/Operators will receive a confirmation letter along with an equipment list. All classes start at 8 a.m. local time.

AT NO TIME ARE ANY LETHAL WEAPONS OR AMMUNITION NEEDED, NOR ALLOWED DURING ANY OF THE TRAINING EVENTS

For further information regarding the course, please feel free to contact Simuniton® at 800-465-8255. On the website the class is listed as Olympia, WA.

Host Agency information may be obtained from Det. Sgt. Dusty Breen at 360-740-1327 or e-mail at Dustin.Breen@lewiscountywa.gov.
