Conducting Proper and Effective & Investigations

Presented by:
Attorney Eric P. Daigle

This seminar will focus on procedures for conducting and managing Internal Affairs investigations by law enforcement agencies. This program is beneficial to the supervisor, new and experience - that conduct Internal Affairs Investigations.

Subject matter for the Seminar includes:

- Administration of the Internal Affairs Process
- Ethics and Integrity
- Agency Policies and Procedures
- The Complaint Process
- Investigation of Personnel Complaints
- Administrative Law
- The Interview Process
- Special Investigations (Sexual Misconduct/ Domestic Violence by Police Officers)
- Influence of IA on Defending Civil Liability
- First Amendment and Free Speech Issues for Police
- Audits and Inspections

The Monell Standard:

This standard identifies and reviews the specific allegations that establish supervisor and municipal liability including the following:

- Unconstitutional Policy
- Decisions by policy makers
- Failure to supervise
- Failure to discipline
- Failure to investigate
- Failure to train

Recommendations to Limit Liability:

In addition, the seminar addresses and provides recommendations for acts which can limit liability to supervisors and the law enforcement entities. It also focuses on common police practices identified in court rulings and DOJ Consent Decree language, all which in tough economic times can be utilized to maintain liability protection.
