CONFERENCE SPEAKERS / TOPICS:

Detection K9 Legal Update and Courtroom Testimony.

From the highly successful prosecuting attorney Ted Daus. Ted will cover many recent US Search and seizure case decisions which have a direct impact on the way you apply your detection canine.

Some of these important topics include the landmark 2013 US Supreme court ruling in Fla v. Harris and Fla v. Jardine.

Nationally recognized for prosecuting drug trafficking cases, *Ted Daus tells it like it is. What a perfect opportunity for K-9 handlers to learn straight from the prosecutor what he needs to hear from you on the stand when presenting your drug cases to the jury.*

Ted navigates his way through the latest courtroom decision about police detection dogs and takes us along for the wild and sometimes crazy ride. Ted's abilities as a communicator will keep you on the edge of your seat as he opens everyone's eyes to what's been happening in the courtroom and what the future looks like for drug detection K-9 teams across America.

Ted Daus will present these two important topics on Monday May 12th, 2014.
