

The Washington State Patrol Impaired Driving Section and Washington State DRE Program are providing training on Horizontal Gaze Nystagmus. Dr. Fraser C. Horn will be teaching the class in conjunction with the DRE School. The goals of this training are to understand eye movements in general, understand HGN and how it works, review other possible causes of nystagmus, and prepare officers for defense arguments. If you are interested in attending this training, please contact Sally Verrinder at sally.verrinder@wsp.wa.gov to reserve your seat.
